

THE AUSTRIAN CONSUL GENERAL
in Chicago
no. 2198-A/89

Chicago, July 25, 1989

Dear Mary,

Since you have left for the Boston area, one really feels the loss of your presence here in Chicago and your presence at the Chicago Sun-Times.

I do apologize for writing you so late but would, never-the-less, like to convey you, in my own name and that of the Austrian Consulate General, our gratitude and appreciation for organizing the "Reverse Angle, Chicago-Vienna"-show which I deemed a great success thanks to your diligent preparation and the time you consecrated to make this presentation of young Austrian artists here in Chicago a great success.

I really do not know how to thank you enough and would be really delighted to see you on one of your next trips to Chicago.

It was, indeed, a great pleasure for me to get to know you during your stay here in Chicago and hopefully we will meet again.

I really wish that the young Chicago-artists, who will be coming to Vienna in October of this year to show their works will also get the reception, you had organized for the young Austrian artists, coming here to your country.

Thanking you again for your great personal contribution to this event, I remain, with my kindest regards and best wishes,

Yours ever,

(Clemens CORETH)
